FEMA Logistics Perspective

"Purple Team"

US Army Corps of Engineers

FEMA

Critical Actions

- Note: Assumption: Adequate Leased Trailers and Shuttle Fleet in place.
  - **Trailers pre-loaded early in notification**
  - **Catastrophic Plan Guide (Push if required)**
- First priority to Life-saving services/commodities (US&R/NDMS/water/meals/generators/MDRCs/FOSA caches/TAV Support teams)
- Second Priority (Ice/Blue Roof Sheeting/Tarps/Cots/Blankets)
- PSMAs ESF1/ESF3 early/Alert DLA
- Base Camp Contractor(s) Alerted
- Mobs/FOSA identified (and leads)
- Validate Inventories at Regional Storage Locations
- Standby contracts at the ready (GSA IAA, Sheeting, etc)

US Army Corps of Engineers
